In compliance with Section 111.033, Local Government Code of the State of Texas, budget recommendations for the year ending December 31, 2024 are submitted for your consideration and approval.

This budget is prepared on the basis of \$1,494,454,717 of net taxable value after exemptions. The County's No New Revenue Tax Rate is \$0.709575 per \$100 of assessed value. Net tax collections are estimated at 95% of the total levy.

The County's No New Revenue tax rate of \$0.680265 is allocated as follows:

General Fund	0.458866
Road & Bridge	0.182316
Commissioners' Special	0.059844
Dedicated Road	0.008549

The 2024 Budget provides for planned expenditures, net of contingency appropriations, for all operating funds totaling \$13,575,667.30. Contingencies in the amount of \$173,598.95 in the General Fund have also been appropriated. Such contingent appropriations are under the control of the Commissioners' Court and shall be distributed by that Court.

Annual budgets are adopted for all funds except for certain special revenue funds where funds are designated for specific purposes as identified in the grant award documents, which adopts grant year or project length financial plans.

It is our opinion that the provisions of revenues and expenditures in this budget are adequate and that funds will be on hand to pay the obligations as set forth. All funds are expected to have sufficient resources to operate within the budgets as proposed. It is intended that each County department will operate within its total budget allocation.
